Reno Vikings

The Reno Vikings Club formed an adult women's team in 2022 to play in the United Women's League 2 to secure the UWS franchise in Reno/South Lake Tahoe/Truckee Region.

The Club is not new and has its roots in the LA Vikings which was formerly based in Southern California and has played in the WPSL League back in 2010 thru 2011. In 2011 The LA Vikings was a semipro/amateur team that played on a national level against women's national teams such as Canada, USA, Mexico, and Philippine WNT's with successes in tying the USA WNT 1-1 when the USA WNT team came back from the 2011 FIFA Women's World Cup.

The intent of the Reno Vikings is to step up to play in UWS semi-pro League 1 in 2023.
